WORKING TOGETHER

WELCOME!

Gordon Chen & Nicole Roach,
Special Agents of the
Data Utilization & Standardization Task Force
A Marvel | DC Cooperative

WE NEED MORE FROM OUR DATA

- × Terminology Updates
- × Set and Attain Inclusivity Goals
- × Increased & Standardized db Updating

Increase job training, support, safety, and outreach to minimize turnover and retention.

OUR PROCESS IS EASY

Establish Standard Reporting

Correct / Update Current Data

Use Best Practices & Update

23,272
Heroes/Villain Pool

7,707
Complete Data Pool

14.6%
Lack Alignment Data

NEEDS IMPROVEMENT...

While there should not be any dependencies between our assignment of heroes or villains with respect to our employees FGSM status, there is.

ρ value **.000**

Chi Square Test

T TEST OF RANDOM SAMPLES

	Total Pop		FGSM
Average Number of Villains	12.2		8.5
ρ Value	.74		.00

NUMBER OF VILLAINS
